## YOU WILL LEARN:

---

- #1 Secret to Better, Longer Lasting Erections
- The Key To Your Orgasmic Potential & Getting What You Want
- Owning Your Power & Voice In The Bedroom (and beyond)

Over the last 30 years, Nicki has excelled in male-dominated industries, she has become an expert in all things human body, from anatomy and physiology to human sexuality. Nicki has helped men step into a more empowered relationship with their body and mind, helping them to achieve what they want in their life.

Nicki was one of only 50 people in the world, and 1 of only 5 women that was hand selected to be a Master Certified Muscle Activation Specialist.

Since that time, she has worked with some of the greatest experts like Jaiya, creator of the Erotic Blueprints and consultant for Tony Robbins' Platinum clients; Joseph Kramer, creator of Sexological Bodywork; Joe Dispenza, neuroscientist and consciousness researcher; Satyen Raja, Founder of Accelerated Evolution; and Orpheus Black, Spiritual BDSM Guru.
